

SECOND WORLD ALL SCHOOLS TOUCH TOURNAMENT

The Second World All-Schools again was played in place of the Queensland all-schools and was held at the White Hill Touch Grounds in Brisbane between the 10/12th October 2003. The tournament was being conducted under the auspice of the Federation of International Touch but all the preparatory work was carried out by Peter bell and the Queensland Secondary Schools Touch Association.

F.I.T. Tournament Directors assistance with the Event with the guidance of the QTA, and the Queensland School's personnel in particular Secretary Peter Bell.

The presence of International teams from New Zealand and Norfolk Island made the championship more exciting especially with the New Zealand teams contesting the semis and finals against the best in Australia.

The actual game scores are not available but competition tables after the preliminary rounds show how the semi and finals were structured and the results are shown at the end of the combine table for each division.
